

भारतीय विमानपत्तन प्राधिकरण
AIRPORTS AUTHORITY OF INDIA

No. AAI/CP&MS/Staff/2024

February 12, 2024

COMMENDATION

This is to convey my appreciation for the sincere efforts put in by Ms. Tanushree Dutta, Asstt. Manager (CP&MS) towards discharging official duties in the most professional manner with utmost commitment.

The period since Covid has been very tumultuous for the civil aviation sector. Various inputs were required in respect of restarting the civil aviation in the country after the complete stand still. In this connection, lot of information was sought by Ministry of Civil Aviation and AAI management. This has resulted in additional work of providing the Daily Traffic Data by 08:30 am on all days of the year without fail for the perusal of Hon'ble Minister of Civil Aviation. Also, various additional works such as Air Connectivity Data and RTPCR Report on all India basis was also a challenging task which was assigned during this period.

I have no doubt to state that Dte. of CP&MS could meet the expectations of MoCA and Management and the same has duly been acknowledged by MoCA in a recent meeting. I have no hesitation to admit that all this could have been possible due to your sincere, coordinated and concerted efforts. I would like to state that your contribution has been instrumental in accomplishment of the given assignment as and when it was required. Your commitment to create a positive and empowering work environment has enabled the department to achieve its goals successfully.

I would like to put on record that you have carried out all the above activities in a very efficient manner with personal attention. I encourage you to keep the excellent work going and also wish that you keep enhancing your skills in order to take on more challenging tasks in future and grow professionally.

You are a valued member of the team and I hope that you will continue to perform the assigned duties with more enthusiasm, zeal and dedication in future.

Best Wishes.

(ANAND KUMAR)
GENERAL MANAGER (CP&MS)

Ms. Tanushree Dutta,
Asstt. Manager (CP&MS)
CHQ, Delhi.
